Friday
November 27th

Middle School “Mini Courses” are in the planning stages.

For those parents new to our school, or parents of 5th and 6th graders, “mini courses” are activities that our middle schoolers take part in to help promote healthy activities and lifestyles.

Mini courses run once a week for three weeks. Dates are as follows:

7th & 8th grades will go on Tuesdays: January 17, 24, and 31.

5th & 6th grades will go on Wednesdays: January 18, 25, and Feb. 1st.

Students take part in the same activity for three weeks. Each

activity requires a lesson be taken, and these lessons build on one another.

Tentative choices and costs at this time are:

1. Skiing or Snowboarding (at Big Mountain). Cost PER WEEK is \$32 (\$26 if you have equipment). Same cost even if you have a pass!
2. Swim and/or Indoor Rock Climb (in Cranbrook). Cost PER WEEK is \$20.
3. Cross Country Ski/Snowshoe at Fernie Alpine Resort. Cost PER WEEK is \$18.
4. Indoor Ice Skate and Bowling (Whitefish &

Eureka). Cost PER WEEK is \$12.

All activities include MANDATORY lesson and bus transportation. More information to follow.

An Economic Hardship form is avail-

able in the office for those requesting a scholarship for their child.
